Maryna is a dedicated PHA Ministry Partner from Dnipro, Ukraine. She embodies resilience amidst adversity. Her unwavering spirit shines brightly in the face of challenges, especially considering the full-scale Russian invasion of Ukraine in February 2022.

In October, Maryna and her husband Sergei, alongside her mother Iryna, made a decision to relocate to Bentonville, Arkansas. The final reason behind their relocation was the joyous news of Maryna's pregnancy with twin boys, which filled their lives with newfound hope and excitement.

January 2023 marked the arrival of their precious sons, Mark and Stefan, who continue to bring immense joy to the Flegontov family. Amidst this celebration, however, the harsh reality persists: Maryna's father and brother still endure daily air raid sirens and frequent missile attacks in Dnipro.

Yet, Maryna's commitment to her country remains. Despite the physical distance, she continues to oversee and champion PHA's humanitarian efforts in Dnipro, providing aid and support to internally displaced Ukrainians suffering the effects of the ongoing war.

Maryna's remarkable story embodies strength, perseverance, and an unyielding dedication to making a positive impact. Her dedication to sharing the love of Christ serves as a powerful testament to her and her family's foundation of faith.
